

Document digitalization in its entirety.

Capmatix Contract Navigator covers the end-to-end process of document digitalization, asset class agnostic, in financial markets.

The seamless software product integration allows for the transformation, rather than change, of existing processes while additionally executing content generation, document digitalization, online document negotiation, workflow and integration, and approval management.

Solutions

Syndicated Loans

Our software for commercial banks digitalizes loan agreements and optimizes end-to-end management of syndicated loans. We reduce cost-to-income ratio and prepare you for a data-driven future.

Trading Agreements

We provide a 100% straight-through-process (STP) for the contract life cycle, mitigating the high operational risk that occurs within 95% manual contract life cycles. We offer trading agreements solutions for various areas including advanced reporting capabilities, versioning, negotiation platform and electronic signatures.

Founded in 1999 by Stefan Lucht & Roland Probst to offer solutions as the finance industry evolved, LPA was built on the needs of its clients. As those needs have grown, so has LPA, becoming one of the world's leading creators of award-winning software and consulting for the finance industry. Today the company has over 400 employees in 12 cities worldwide, delivering cutting-edge consulting through its specialist teams, and technology through four software products: Capmatix OTC Suite, Capmatix Structured Products, Capmatix Contract Navigator, and Capmatix Asset Management. Motive Partners, a leading specialist financial technology investment firm, has been partnered with and invested in LPA since November 2018.
